## OUR BACK GROUND

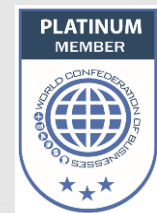

**WORKSHOP SETTING  
WAS INCORPORATED IN 2001**

AETS is a wholly owned Ghanaian business, a platinum member of World Confederation of Businesses (WorldCOB), a member of Bosch Car Service Network world-wide and Chartered Institute of Logistic and Transport - CILT, Ghana

Our workshops offer servicing, diagnostics, mechanical repair, collision repair and spraying works for all vehicle makes as a credible alternative to main dealerships since incorporated in 2001, we also provide comprehensive business package, supported by international networking, membership initiatives and Technical support.

We won the "BIZZ BUSINESS EXCELLENCE AWARD in 2020" by WorldCOB, a Houston (USA) based organisation and BOSCH QUALITY ASSESSMENT AWARD in 2019 by Robert Bosch Ghana respectively.

# OUR VISION & MISSION

## OUR VISION

To be the established leader among independent garages (workshop), satisfying the expectations of customers and shareholders, providing a full range of cost efficient and high quality services, through the optimization of information technology and efficient industry network

## OUR MISSION

To provide quick, efficient and reliable service to our customers on consistent basis

Maintain a warm and vibrant relation with our customers to ensure that we understand their needs and are in the position to serve their interests

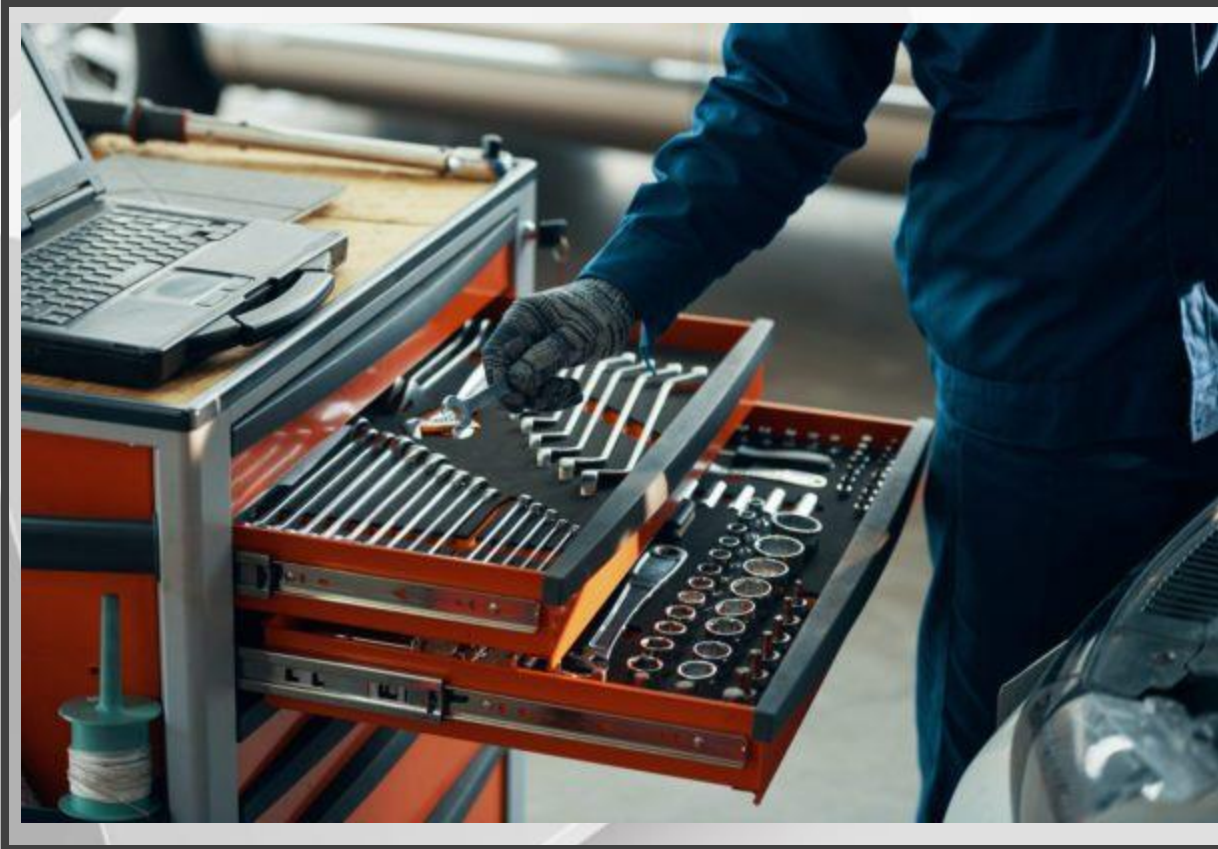

Provide flexible operating hours to serve the diverse needs of our customer

**UNDERTAKING VEHICLE SYSTEMS UPDATE  
(PROGRAMING)**

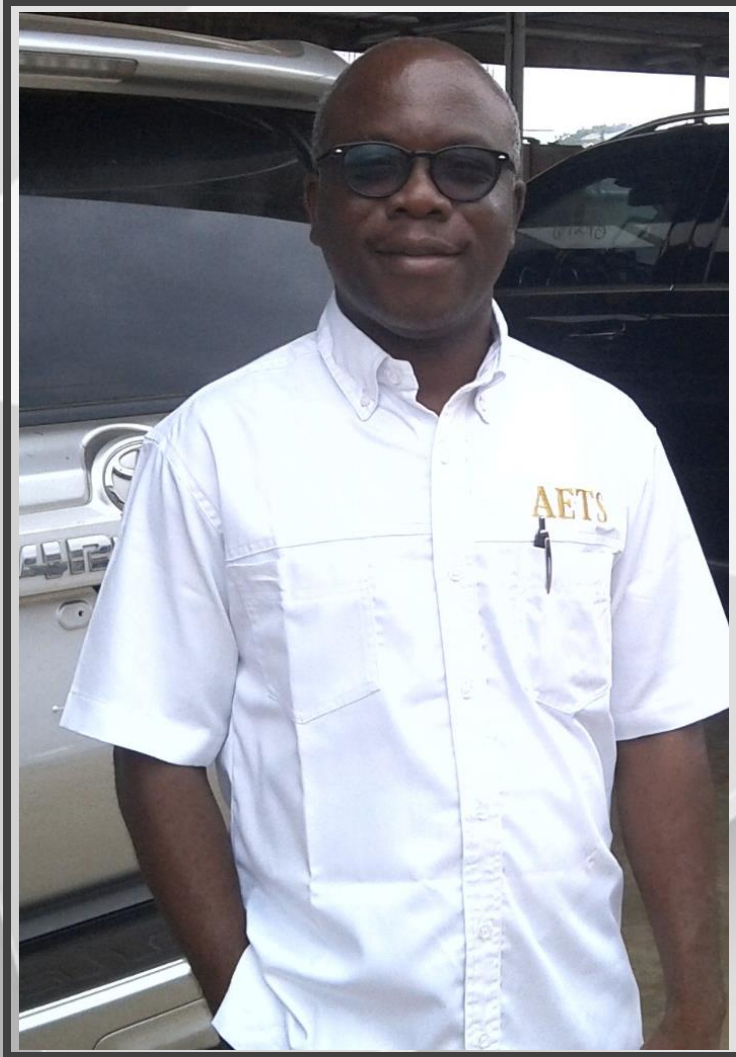

# TOOLS & EQUIPMENT

**MOBILE VAN (PICK-UP)  
SERVICE DELIVERY AT YOUR STEP**

## TRAINING AND CONSULTING

### TRAINING SESSION, AETS STAFFS

AETS believes that vehicle Maintenance Management Systems are to be studied and determined from an engineering point of view, based on vehicle system structures and conditions under which they are to be diagnosed, repaired and used

Our training workshops are carefully designed to include modules that are critical and relevant to the Ghanaian industry context with focus on Automotive Technicians, Mechanics and Drivers.

As consultants, we provide our clients with quick hassle-free way to purchase their vehicles, focusing on how to choose the most suitable vehicle make and type that meet their intended purpose, how to maintain and run fleets that aims at having value for money and much more.

## OUR CLIENTALE

We serve a network of over fifty exclusive businesses and Organizations including the Banks, Insurance Companies, MMDA's, Catering Service Providers, Manufacturing and individuals within Greater Accra, Tema, Kasoa, Somanya and Koforidua catchment areas

**NETWORK OF EXCLUSIVE CLIENTS  
(BUSINESSES AND ORGANISATIONS)**

# REVIEWS AND TESTIMONIALS

**A.C.P Rahik Mahama**

AETS has been absolutely remarkable in their ability to respond promptly to any issue I've had, even on the most inconvenient days.

Their service is professional and they're very honest and transparent in their dealings, and I highly recommend them.

**Mad. Dorethy A Frimpong**

AETS offers unique services: They use genuine parts, prices are good and their human relations is excellent. They also give technical advice and reasons for change of parts. Try and service your car with them. They are on top.

**Pastor Solomon Ayietey**

Prompt and Professional Attention to all clients: I.C.T Expertise makes AETS a fully modern engineering company.

**Mr Peter Wih-Sika**

AETS shows and exhibit professional competence in what they do. They indeed deliver quality and timeous work and customer are their ultimate priority.
